acuity series

acuity series

More than a communication surface, the acuity series sets you and your work environment apart. Modern design with long lasting durability is now present.

board details

- Features our high grade, 1/2" thick acrylic
- Glass-clear surface is specially-coated to be long-lasting and non-ghosting
- Robust, handsome aluminum stand-outs

Choose the stylish clear acuity board for rooms with light finished walls. For medium to dark, select acuity frost to add an upscale look while maintaining exquisite readability.
