

**perception series**

## perception series

Forward movement of an organization requires clear and crisp transfer of details. The perception mobile series stands with you in your mission to communicate.

## board details

- Features our high grade, 1/2" thick acrylic
- Glass-clear surface is specially-coated to be long-lasting and non-ghosting
- Extruded aluminum frame, dual casters and full length marker tray

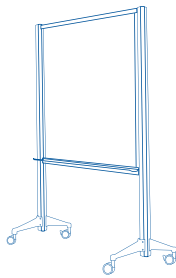

A designed aluminum frame and clear surface exudes modern thinking. Mobile on casters, perception helps you to achieve a higher level of momentum.
