

CLEAR FUTURE MARKERBOARDS

Full Lifetime Warranty

The following warranty voids all other warranties express or implied, including, but not limited to, the implied warranty of merchantability and fitness for a particular purpose and all other warranties arising from course of dealing or usage of trade.

Every time you purchase a Clear Future product, you are making an investment in your future. We are proud to play a part in that future, and you can trust us to do our best for as long as you need us.

The Clear Future Lifetime Warranty is our assurance to you that products will be free from defective materials or workmanship. In the unlikely event that any Clear Future product or component covered by our Lifetime Warranty should fail under normal workplace use as a result of defective material or workmanship, Clear Future promises to repair it. If we are unable to repair it, we will replace it with a comparable product or, if you prefer, we will refund your purchase price. Should any modifications be made to our products by other trades, with or without our consent or prior knowledge in writing, the obligation to warranty may be voided.

Your Clear Future Lifetime Warranty applies to products manufactured after January 1, 2014.

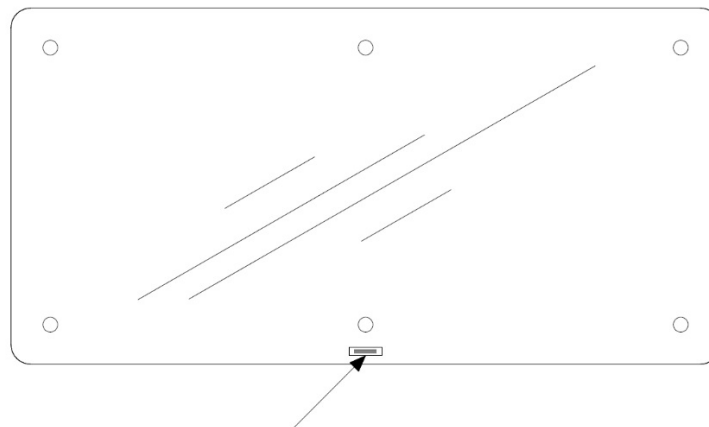

This Lifetime Warranty is applicable to the initial purchaser only and is non-transferable. If procured through authorized Clear Future Dealerships, the end-user customer must have available the serial number provided with each unit. This serial number should be attached to each unit for reference if required in the future.

Serial Number and ID Tag

As authentication for warranty service, please affix the enclosed warranty ID Tag with serial number to your Clear Future board.

Affix to the surface of the board only. Place at least 1/4" away from the edge. Recommended placement is along the bottom surface of your board or in the center. Do not affix to the edge as adhesives can leach into the board.

Thank you for your cooperation.
